

Statement of Average Gross Compensation of UK & Ireland Supervisors

Herbalife offers its Distributors an opportunity to achieve a lifetime of better nutrition through its scientifically advanced product range. While many of our Distributors join the Herbalife family simply to enjoy our life-changing products, others want to share their results and take advantage of the many income benefits our business opportunity provides. With Herbalife, you can work part time and earn a supplemental income or focus solely on your Herbalife Distributorship and increase your financial potential. It's completely up to the individual how much he or she wants to achieve! A Distributor earns profits by buying Herbalife products at wholesale and reselling them at retail. If the Distributor wants to increase his or her involvement in the business and enjoy the possibility of higher levels of income, he or she may sponsor others into the business and develop an organisation.

Over 20% of Distributors ranked as Supervisor and above ("Leader"), qualifying them for additional compensation which is paid by Herbalife based upon the sales production of those they have sponsored directly or indirectly. The annual gross compensation paid by Herbalife, in addition to profits earned on the resale of products to consumers or other Distributors, to all Leaders during 2007 averaged £2,900. Over 46% of Supervisors are "Active" (defined as those who generated at least 2,500 points of volume in 2007 after becoming Supervisor). The annual gross compensation paid by Herbalife to Active Leaders during 2007 averaged approximately £6,700.

The figures stated above are not a guarantee nor are they a projection of a typical Distributor's earnings or profits. Like any other independent business, the achievement or failure of a Distributor depends upon his or her skill set, commitment and desire to succeed. At Herbalife, the opportunity to earn more is always available to each and every Distributor.
